Samsung Electronics America's Day of Service Volunteers To Support 2nd Chance 4 Pets

Los Gatos, Calif. (October 15, 2015) — On October 16th, **Samsung Electronics America, Inc.** will close their offices for the day so their employees can participate in the company's annual Day of Service program. Samsung's program offers employees an opportunity to volunteer their time and skills to assist selected nonprofits.

This year, Samsung selected **2nd Chance 4 Pets** as one of the national nonprofit organizations to support. Samsung volunteers will participate in a number of activities to promote 2nd Chance 4 Pets' resources and the organization's message to encourage pet owners to plan for the possibility that their pets might outlive them.

Each year, more than 500,000 pets end up homeless when their humans become too ill to care for them or pass away. 2nd Chance 4 Pets provides education and information to create awareness about this issue, prevent pets from ending up without a home, and provide peace of mind to the pet owners who care for them.
