Organization and Contact Info:	United Animal Nations “Lifeline Grants” ; http://www.uan.org/ United Animal Nations P.O. Box 188890 Sacramento, CA 95818 1-916-429-2457 info@uan.org
Who is eligible?	<i>The applicant (person/family applying for a grant) must:</i> Live in the United States. Have a plan for how the animal’s needs can be met. For example, a written estimate from a specific boarding kennel, veterinary clinic or transportation company. For the safety of the client, domestic violence situations must be submitted by a domestic violence shelter representative on behalf of the client. To find a shelter near you, call the national domestic violence hotline at (800) 799-SAFE or click here . If approved, the applicant must provide photos and updates. <i>The animal(s) must:</i> Be spayed/neutered (grant may include spay/neuter costs). Be a companion animal who was directly injured or displaced by personal, natural or manmade disaster OR Be any animal involved in the rescue and recovery efforts during a natural or manmade disaster (e.g, search and rescue dogs).

	<p><i>The boarding facility or clinic must:</i></p> <p>Be aware of the disaster affecting the client and the client's financial need.</p> <p>Provide UAN with a written estimate at UAN's request.</p> <p>Accept a check from UAN.</p>
What are the funding limits?	Up to \$400
What is covered?	<p>LifeLine Crisis Relief grants may be provided for the following needs:</p> <p>Transportation of the animal to safety</p> <p>Veterinary care to treat injury or illness caused by the disaster</p> <p>Temporary boarding</p>
What is the application process?	<p>Applicant must apply online at:</p> <p>http://www.uan.org/applications/lifeline-crisis-relief-application.cfm?navid=168.</p> <p>No applications will be accepted via U.S. mail or fax.</p>
How are payments made?	Undisclosed
How and when are funds awarded?	Grants usually range between \$100 and \$400. Funding decisions are based upon several factors, including: 1) urgency, 2) financial need, 3) available funding and 4) eligibility.
Organization and Website:	<p>IMOM; http://www.imom.org/</p> <p>Contact; http://www.imom.org/forms/bodcontact.htm</p>
Who is eligible?	Pets that are in life-threatening emergencies and need one-time care. IMOM states, "A life threatening emergency exists when it has been confirmed to IMOM, in writing, from a veterinarian that your pet will die or have to be humanely euthanized if care is not provided within 10 days or less."
What are the funding limits?	IMOM states that two scenarios arise if an application is approved: 1)IMOM may have enough funds available without having to reach out to their community and 2)IMOM may not have enough funds available and they will have to reach out to the community for donations.
What is covered?	It is not guaranteed that all funds will be collected. Individuals must give daily reports to the online community in order to receive funds.
What is the application process?	<p>Must provide four different documents before being given an application: An estimate of costs, Completed Veterinarian Pet Information Form, Letter of approval or denial from Care Credit and Proof of household income.</p> <p>Once these are obtained they have to be faxed to 1-630-214-8952 to be considered for an application. It will take up to two days for the committee to decide.</p>

How are payments made?	IMOM will not necessarily be in a position to offer monetary assistance and individuals are encouraged to seek monetary assistance through other organizations as well.
How and when are funds awarded?	Individuals will be contacted by a volunteer with IMOM. Approved cases can raise funds for 30 days in the online community or until the funding needed has been met. Additionally, charitable funds raised for your pet will be set aside for them for up to 60 days following the end of your fundraising privileges.
Organization and Website:	<p>Labrador Life Line; http://www.labradorlifeline.org/</p> <p>Questions about Labrador Life Line: Email: questions@labradorlifeline.org</p> <p>Funding Applications: Email: application@labradorlifeline.org</p> <p>Mail Applications to: please contact application@labradorlifeline.org for mailing address</p> <p>Fax Applications and/or Documents to: (206) 289-5905</p> <p>Auction Donations: Ship Donations to: 1719 Tustin Ct.</p> <p>San Jacinto, CA 92583</p> <p>USA</p> <p>Website: Email: webmaster@labradorlifeline.org</p>
Who is eligible?	To qualify, the Lab must be with an individual or family but for valid reasons the family cannot provide help for the dogs condition, the Lab currently or will be placed in rescue situations, or is currently at a shelter with which Labrador Life Line has a current Memorandum of Understanding in force.
What are the funding limits?	<p>Funding amounts differ for rescues and owned dogs.</p> <p>For an owned dog, funding can be up to 75% of the proposed therapy with a maximum funding per case of \$500. Not all cases are approved for maximum funding amount, as each case is evaluated on an individual basis by the entire board of Labrador Life Line.</p> <p>For a dog in rescue, funding can be up to 50% of the proposed therapy with a maximum funding per case of \$250. Not all cases are approved for maximum funding amount, as each case is evaluated on an individual basis by the entire board of Labrador Life Line.</p> <p>All applicants will be responsible for providing assurance that the balance of the medical costs can be paid before funds will be released.</p>
What is covered?	Assistance can be made for eligible Labs with medical treatment, transportation needs, boarding costs, or other special needs that will enable the Lab to find a home or live out its life with its loving family. A procedure or process that will help the quality of life for the Lab. However, Labrador Life Line will not help treat diseases that are genetically based or if the family has already paid a veterinarian for a procedure that they wish to receive help on.
What is the application process?	All applicants must apply for Care Credit (http://www.carecredit.com/vetmed/) or have proof that they have applied in the past.
How are payments made?	The balance of the medical costs must be met before funds are released. (See information on funding limits).

How and when are funds awarded?	<p>Funding will only be considered when treatment has been done under the following conditions:</p> <ul style="list-style-type: none"> - The applicant must provide written documentation from the veterinarian that treatment was of an urgent nature (meaning it could not wait for funding to be approved or money otherwise raised to cover the cost without endangering or causing significant discomfort to the lab). - The treating veterinarian does not provide any type of payment plan which can include carrying account balances; partial, monthly or delayed payments; post-dated checks. <p>If an individual has made payment by credit card, received Care Credit (or similar) on behalf of a rescue organization or individual, a payment plan will be considered in place</p> <p>You will be notified in a timely manner if it is determined that your dog meets our criteria.</p>
Organization and website:	The Pet Fund; http://www.thepetfund.com/
Who is eligible?	Owners of domestic animals who need veterinary care. Emergency situations are NOT funded.
What are the funding limits?	Funding resources are limited, and the Pet Fund makes every effort to use limited funds in the most responsible way.
What is covered?	The Pet Fund assists owners in covering medical costs beyond the normal expenses of vaccination, spay and neuter surgeries, food and routine veterinary care.
What is the application process?	All applicants are required to contact The Pet Fund by phone before applying for funding. The phone number is 1-916-443-6007. Applications can be done only through a computer with a printer unless the individual has a severe disability or cannot leave their home without assistance. These applicants can have applications mailed to them after approval from The Pet Fund. After an individual is approved for eligibility requirements, you must have proof of income (no tax forms accepted), copy of a cost estimate for treatment from the veterinarian, and the name, address, and medical license number for the veterinarian treating your pet.
How are payments made?	The Pet Fund sends the funds directly to the veterinarian after the funds have been approved and the treatment has been scheduled.
How and when are funds awarded?	The application must be approved and treatment scheduled before funds are released to the veterinarian. Email inquiries to: info@thepetfund.com
Organization and Website:	Good Sam Fund; http://www.vetmed.wsu.edu/depts-prd/GoodSam/ Contact; lhaley@vetmed.wsu.edu
Who is eligible?	Patients eligible for financial support through the Good Samaritan Fund will be common companion animal species. Such patients will have a need for life saving procedures and a

	<p>reasonable prognosis for good long-term recovery.</p> <p>Patients will be either ownerless or owned by clients that cannot pay for care due to circumstances beyond the client's control. Animals from animal control agencies, humane societies, and business entities will be considered owned and not eligible for funds.</p> <p>Patients without an owner must have a temperament that does not prevent future adoption.</p>
What are the funding limits?	Care given at the WSU Veterinary Teaching Hospital only
What is covered?	On line form
What is the application process?	Transferred within the WSU College of Veterinary Medicine
How are payments made?	Decided by committee- transferred to WSU hospital after service
How and when are funds awarded?	Care given at the WSU Veterinary Teaching Hospital only
Organization and Website:	<p>AAHA Helping Pets Fund; http://www.aahahelpingpets.org/</p> <p>Please email inquiries to: helpingpets@aahanet.org</p>
Who is eligible?	The AAHA Helping Pets Fund provides financial assistance through AAHA-accredited veterinary practices for emergency and non-elective veterinary care. We can help in three types of cases: 1) Pet owners receiving certain forms of government assistance 2) Pet owners experiencing temporary financial hardship 3) Good Samaritan cases; Assistance is available to support cases where no owner can be found and the veterinary practice is taking responsibility for an unwanted pet. In these cases, a letter or email signed or authorized by the veterinarian attesting to the circumstances of the case is submitted with a grant application.
What are the funding limits?	Limited to \$700 per AAHA accredited practice per calendar year. Maximum to each veterinary \$500 for financial hardship and \$200 for Good Samaritan. Maximum to each family is \$500 per year and \$1,000 for a lifetime.
What is covered?	Emergency and non-elective veterinary care.
What is the application process?	AAHA-accredited veterinary practices may apply for a grant from the AAHA Helping Pets Fund on behalf of their clients. No practice is obligated to apply to the program. Applications must include sufficient information to clearly determine client and treatment eligibility, including client eligibility and patient diagnosis and treatment information. All applications must be

process?	accompanied by a detailed cost estimate showing fees for required treatment. Applications must also be submitted within 3 weeks of treatment, if treatment has already taken place.
How are payments made?	Once treatment is provided, the veterinary practice submits a detailed invoice showing required treatment and fees to the Fund by fax or regular mail. Payment will be made directly to the veterinary practice. The Fund will pay in full invoices that do not exceed established funding limits (see Funding Limits section above). For invoices exceeding established funding limits, the Fund will pay the annual funding limit. The veterinary practice may make arrangements with the client for payment of any balance above the annual funding limit or write off the balance.
How and when are funds awarded?	See above
Organization and Website:	Help-A-Pet http://www.help-a-pet.org/
Who is eligible?	Physically and mentally challenged individuals; Senior Citizens; Children of the working poor; Applicants must provide proof of income eligibility.
What are the funding limits?	To qualify, your annual income must be below \$20,000 for an individual household or \$40,000 for a family household (amount varies upon the number of dependents). Due to limited funding, financial assistance can only be provided once per pet.
What is covered?	Undisclosed.
What is the application process?	A copy of your most recent federal tax return filed with the Internal Revenue Service (IRS), not a pay stub or W2 form. If you do not file a Federal Tax Return, please provide a copy of government assistance documentations such as a disability income or food stamp letter, or a medical aid care.
How are payments made?	No questions regarding the availability, amount, expediency, etc. of assistance can be answered until a complete application with proof of income is received.
How and when are funds awarded?	All applicants will be notified as to whether or not their application is approved, generally within two days of receipt of the application by this organization. Help-A-Pet is staffed by volunteers so your patience is greatly appreciated. If approved, payment will be made directly to the veterinarian or medical supplier.
Organization and Website:	Angels4Animals http://www.angels4animals.org/programs.html Email: staff@angels4animals.org
Who is eligible?	The scope of our program is only limited by our available resources. Participants are selected after filling out an eligibility assessment application. Priority is given to those with the shortest amount of time to make a decision or to those who can demonstrate the greatest amount of

	negative impact on family life if the pet was gone.

Organization and Website:	Feline Veterinary Emergency Assistance Program; http://fveap.org/
Who is eligible?	<p>The cat/kitten must have a life-threatening illness, injury or condition, or one that seriously compromises the quality of the cat or kitten's life.</p> <p>The illness, injury or condition must require immediate or prompt veterinary intervention in order for the cat or kitten to survive.</p> <p>The veterinarian's prognosis (in the veterinarian's best professional judgment) should indicate a positive outcome.</p> <p>The cat/kitten must be spayed or neutered or have the procedure done during the treatment period.</p> <p>Funding may be provided only prior to treatment. Exceptions may be made for stabilizing procedures.</p> <p>Final funding decisions will be based on resources available.</p> <p>Approved funding may be a flat dollar amount or a percentage of the total cost of treatment. Rarely will full funding be available.</p> <p>It is expected that the Guardian will contribute to the cost of treatment to the extent possible. It is also expected that the treating veterinarian will offset some of the cost of treatment.</p>

How are payments made?	Undisclosed
Organization and Contact Info:	<p>Brown Dog Foundation http://www.browndogfoundation.org/home email inquiries to: carol@browndogfoundation.org</p>
Who is Eligible?	We are an organization dedicated to <i>helping families who find themselves in a temporary financial crisis at the same time their pet requires life-saving treatment or life-sustaining</i>

	<p><i>medications. We provide assistance to families who normally live above the poverty line, but have experienced a financial setback - unemployment, unexpected and major medical bills, loss of home, etc. We are designed as a one-time benefit in most situations.</i></p>
What are the funding limits?	\$2000
What is covered?	Treatable, but life-threatening illnesses or conditions that without treatment would result in the humane euthanasia of the pet
What is the application process?	<p>STEP 1: The family completes our "apply for assistance" survey online. This generates an email reviewed by a Case Manager within 24 hours. http://www.browndogfoundation.org/prequal</p> <p>STEP 2: If the family pre-qualifies for assistance, the second step is for the family to complete our 7 page Application for Assistance which requires a list of documentation to be compiled and submitted for review against our guidelines.</p> <p>STEP 3: A Case Manager will contact the Veterinary Clinic by fax requesting additional information. It is important for the Veterinarian to read the accompanying letter and complete the Veterinary Form entirely (the IRS requires that we maintain a list of EINs that we make payment to - failure to provide the EIN will delay the process).</p> <p>STEP 4: Once we have the family's information and the Veterinarian's information, our Case Manager will summarize the case and provide a snapshot of Brown Dog Foundation's Financial Situation to the Grant Review Committee.</p> <p>STEP 5: The Grant Review Committee votes. The Grant Review Committee is comprised of 4 Board Members each casting 1 vote. A unanimous vote is required to "approve" a case. One vote against, generates a "denial".</p> <p>STEP 6: A Letter of Commitment or Letter of Denial is generated on Brown Dog's letterhead, signed by our Board President and delivered via Fax (for emergencies) and via USPS (for cases that are not an emergency).</p> <p><i>We will do our best to work with you through crisis situations. However, Brown Dog Foundation is not fully-funded, nor are we staffed full-time. It is important that you are comfortable with the fact that not all families meet our criteria and while, a family may pass our Pre-Qualification Screen they may not pass the full Application Screen. There are many reasons that may lead to a denial. When we have more cases than we can afford to fund presented at one time, we are forced to review each family's entire application and compare to one another to make our decision.</i></p>
How are payments made?	Payments are made directly to the Veterinary Clinic only
How and when are	Funds are awarded as applications are processed.

funds awarded?	
Organization and Contact Info:	Cody's Club http://codysclub.bravehost.com/cc-requests.htm CODY'S CLUB, 46 Webster Park Ave., Columbus, OH 43214, or via e-mail to kraft.42@osu.edu .
Programs:	Provides financial support for pets who face radiation treatments on a limited income, and also emotional support services in the form of a hotline and in-person group that meets monthly. To seek a donation to offset costs of radiation, submit your request in writing to Cody's club. Explain why your pet needs radiation and your financial need. A letter from the treating veterinarian MUST accompany the application, outlining the animal's condition, cost of treatment and prognosis. Donations will be made directly to the treating veterinary hospital, with a stipulation that it be applied specifically to the radiation treatment.

Organization and Contact Info:	The Senior Medical Assistance Program http://www.doberman911.org/ http://www.doberman911.org/contact.html
Programs:	Special Needs Dobermans and The Doberman Pinscher Magazine have teamed up to place a special focus on fundraising efforts to assist Senior Dobermans with their medical needs. Having provided a lifetime of love, devotion, and loyalty, these Seniors now find that they are faced with increasing debilitating medical problems. These loving seniors may be with a rescue group and seeking a forever homes or they may be privately owned. Since the financial burden of providing necessary medical treatments is sometimes beyond the means of their caregivers, they have applied to SND for financial assistance. While SND lists Seniors in Need both on our Newest Cases and on our Still In Need , The Doberman Pinscher Magazine helps Seniors by reaching out to the Doberman community by raising funds for the Seniors Medical Fund , devoting space to Senior Health issues and highlighting Seniors in Need.

Organization and Contact Info:	Fix Nation http://fixnation.org/topics/whattwedo/ . Email: info@fixnation.org
Programs:	FixNation is a non-profit organization providing free spay/neuter services for homeless stray and feral cats. We also offer low-cost spay/neuter services for tame pet cats. Our goal is to humanely reduce the number of homeless cats throughout Los Angeles by sterilizing as many as possible. FixNation supports Trap-Neuter-Return, or TNR for short. TNR is a community-based program where concerned citizens humanely trap feral cats, have them spayed or neutered, and then return them to the exact location where they were trapped so they can be cared for and live out their natural lives. We loan out humane traps for free to the public, plus we provide training on how to properly and safely TNR. We make it as easy for you as possible to help the homeless cats in your neighborhood.

Organization and Contact Info:	US Pets Foundation http://www.saveuspets.org/index.php/about-us/our-mission Email: info@saveuspets.org
Programs:	Save U.S.Pets Foundation, Inc. is an independent, all-volunteer, 501 (c) (3) non-profit organization dedicated to ensuring that no pet is denied lifesaving veterinary treatment because of its owner's inability to pay. We support eligible grant requests for financial access to medical treatment of pets as submitted by participating veterinarians. Based in New Jersey, Save U.S.

	Pets Foundation, Inc., will contribute to payment for life-saving veterinary medical treatment costs for qualified pets. We allow participating veterinarians to apply for grants to pay for veterinary treatment of ailing pets after all other options to pay for treatment have been exhausted by the pet owner. The Foundation acts within a structure of specific criteria and guidelines for the pet owner, participating veterinarians as well as the Foundation Board and is structured to act as quickly as possible in emergency situations.

Organization and Contact Info:	The Farley Foundation (Ontario, Canada) http://www.farleyfoundation.org/ Email; info@farleyfoundation.org
Programs:	The Farley Foundation (a registered charity) assists seniors and disabled persons on limited incomes with the necessary treatment of their pets. In 2007, the Foundation expanded its criteria to assist the pets of women at risk of abuse (and their children) who are participating in OVMA's SafePet Program . The Farley Foundation honors the human-animal bond and seeks to help those who most benefit from pet ownership. The Farley Foundation is generously administered by OVMA . Donations from the veterinary community in Ontario, corporate sponsors and pet owners around the world allow the Farley Foundation to help hundreds of people and pets each year.
