### **2nd Chance 4 Pets Partners With Workplace Success Service Bureau**

LOS GATOS, Calif. (November 1, 2011) – With unemployment still high, many job seekers are turning to volunteering as a way to maintain and develop their current skills. This also allows them to remain productive while adding valuable experience to their resumes.

Emma Laing of Workplace Success Service Bureau found 2nd Chance 4 Pets through VolunteerMatch.org. Service Bureau volunteers are helping 2nd Chance 4 Pets with a variety of virtual Web research projects. Some of these projects include collecting contact information via the Internet for animal rescue groups and veterinarians in specific geographic areas. The information collected is passed along to animal rescue groups who contact 2nd Chance 4 Pets because they are trying to find a home for an orphaned pet.

While the focus of the work of 2nd Chance 4 Pets is to help pet owners plan for the possibility that their pets might outlive them, 2nd Chance 4 Pets occasionally helps animal rescue groups by providing them with reliable, up-to-date contact information for other rescue groups and veterinarians in their area. Having this information available results in saving lives through getting the word out and locating people who are willing to foster or adopt a pet.

**About the Workplace Success Service Bureau**

The Community Action Program Belknap-Merrimack Counties, Inc. (CAPBM, CAP-BM, BMCAP), is a New Hampshire-based 501(c)(3) private, nonprofit organization. The agency was established in 1965 under the provisions of the Equal Opportunity Act of 1964. Under this act, more than 1,200 Community Action Agencies (CAA) were established nationwide. The primary mission of the organization is to work with low-income families and the elderly to assist them in their efforts to become or remain financially and socially independent. The agency accomplished this task by providing a broad array of services that are locally defined, planned, and managed. The agency sponsors and manages 73 programs designed to meet the needs of children, families, single parents, and the elderly. Without the services provided by the agency, many local residents would be without a means to provide for their basic needs including food and shelter.
